A NATIONAL CYBER CENTER

DC3

Defense Cyber Crime Center
Air Force Office of Special Investigations

A NATIONAL CYBER CENTER

DCFL

Defense Computer Forensics Laboratory
DC3 Superior Digital Forensics

- Digital and multimedia digital forensics
- Intrusion & malware analysis
- Expert testimony
- ASCLD/LAB - International accredited laboratory since 2011
- Request Lab services:
 - Phone 410-981-0100
 - Request forms located at www.dc3.mil

DCISE

Defense Industrial Base Collaborative
Information Sharing Environment
DC3 DIB Cybersecurity

- Works with DIB partners to safeguard DoD information
- Provides actionable threat products and analysis
- DCISE Hotline: 877-838-2174 or 410-981-0104
- See <http://dibnet.dod.mil> for more information

DC3 MISSION

Deliver superior digital forensics and multimedia lab services, cyber investigative technical training, research, development, testing and evaluation, cyber analysis capabilities supporting cyber counterintelligence and counterterrorism, criminal investigations, intrusion forensics, law enforcement, intelligence community, critical infrastructure partners, and information operations for the DoD.

DCCI

Defense Cyber Crime Institute
DC3 Research, Development, Testing,
and Evaluation

- Develops digital forensic tools and techniques
- Validates software/ hardware for a forensic process
- DoD repository for cyber CI tools
- To request RDT&E:
 - Email dc3i@dc3.mil
 - Request forms located at www.dc3.mil

DCITA

Defense Cyber Investigations Training Academy
DC3 Cyber Training

- Classroom & web-based cyber investigative response training
 - DoD certifications in digital forensics, cyber investigations, and incident response
 - Council on Occupational Education (COE) accredited courses available
 - See www.dcita.edu for more information
- Course registration
 - Email dcita.registrar@dc3.mil
 - Phone 410-981-1165
- Center for Digital Forensics and Academic Excellence (CDFAE) Program
 - See www.dc3.mil/cdfae/ for more information

AG

Analytic Group
DC3 Analytics Driving Operations

- Provides Cyber analysis products and services to LE/CI agencies to support investigations/operations.
- A member of the National Cyber Investigative Joint Task Force (NCIJTF)
- Builds a threat picture to enable proactive LE/CI cyber operations
- Collaborates with LE/CI, CND, IC and IA agencies
