JOIN THE DIB CS PROGRAM: APPLICATION PROCESS

1 APPLY

Apply from
<https://dibnet.dod.mil>
using a DoD-approved
medium assurance
certificate.

2 VERIFY

Prospective participants must:

- Have an active DoD contract
- Handle DoD Controlled
Unclassified Information (CUI)
- Have U.S. Citizen to act
on behalf of company

3 SIGN

Prospective participants will:

- Sign and return
Framework Agreement (FA)
- Sign and submit NDAs

DoD countersigns FA.

4 WELCOME

DIB CS Program provides
onboarding partner videos on
DIBNet. Participants' accounts
are fully activated and can
engage with the Program office
and DoD Cyber Crime Center
(DC3).

Additional information from USG components
with DIB equities is shared on DIBNet.

MISSION

Enhance and supplement
Defense Industrial Base
(DIB) Program participants'
capabilities to safeguard
DoD information that
resides on or transits DIB
unclassified information
systems

WHO WE ARE

A public-private
cybersecurity partnership
that provides a
collaborative environment
for sharing unclassified and
classified cyber threat
information

ENGAGE

Information is shared bi-
directionally between DoD
and the DIB. The DIB CS
Program offers FREE
Cybersecurity-as-a-Service,
and events for engagement
such as DIB CS Summits,
TechEx, and DC3/DCISE
F.I.R.E.
