

# DC3 Cyber Training Academy

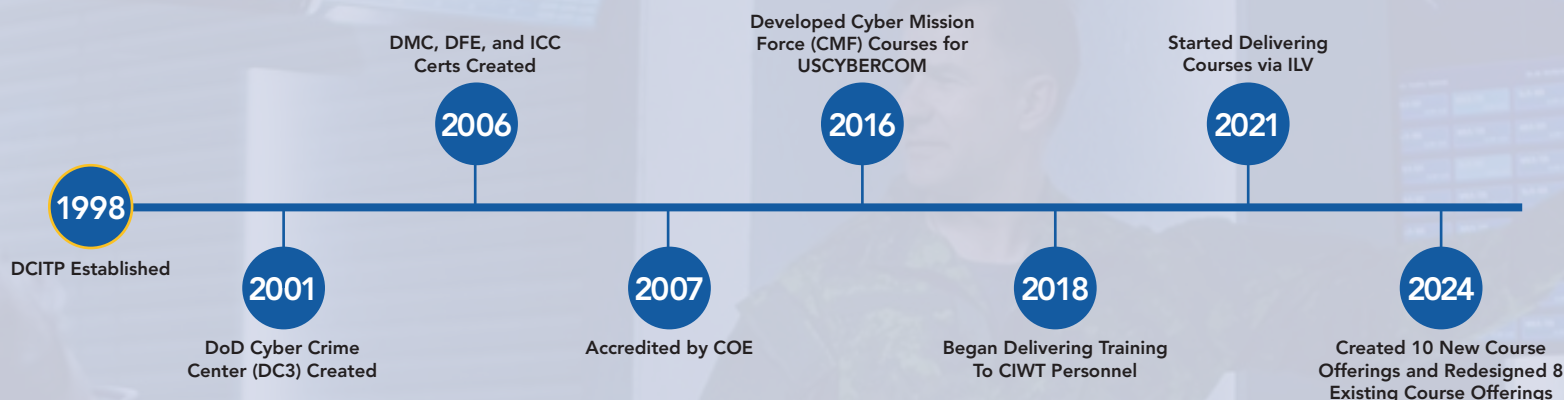

## Mission and Capabilities Overview

# MISSION

To provide cyber training to individuals and DoD elements that must ensure defense information systems are secure from unauthorized use, counterintelligence, and criminal and fraudulent activities.

## HISTORY AND MILESTONES

## PARTNERSHIPS AND ACCREDITATIONS

Provides college credit recommendations for a select number of DC3/CTA courses.

Issues professional certifications for the IT industry. A select number of DC3/CTA courses and CyberCasts are eligible for accreditation and CEUs.

DC3/CTA's main accreditor, assuring quality and integrity in career and technical education.

International Accreditors for Continuing Education and Training (IACET) has recognized DC3/CTA for its excellence in institutional practices, and as an authorized provider of IACET CEUs.

## COMPTIA AND TESTING CENTER

**87%**  
CompTIA Exam Pass  
Rate (FY25 YTD)

The DC3 Cyber Training Academy offers CompTIA courses that prepare students for CompTIA certification exams. Courses are for government civilian and military personnel only. Contractors are not authorized to enroll in these courses.

The DC3 Cyber Training Academy's Pearson Vue Testing Center is available for students who are ready to take one of eight CompTIA certifications the Academy offers. The certification exam is available on the last day of class with a pre-paid voucher. The Academy does not provide vouchers.
